Dear Hiring Manager,

I am writing to you in reference to the job posting at Indeed.com for the Software Developer position in your company. I have an educational experience at George Brown College where the projects are about making a fully functioning software. I found that there is a close relation between my skills and the job requirements. I am confident I will be a great asset to your company.

With my coding experiences and being enrolled in a Computer Programming Course in the last two years, I would bring the following attributes in IXL Learning in the role of Software Developer:

- Excellent programming skills in JavaScript, CSS, React, Java, SQL, and other object-oriented language.
- Knowledge of Git and Linux
- Ability to work independently or with variety of teams.

I would appreciate the opportunity to talk to with you and discuss the Software Developer position. I would love to come in for an interview and show you why I am perfect for this job. In the meantime, feel free to contact me via my phone, (416)-123-4567 or via email at [JohnJademar.Lopez@georgebrown.ca](mailto:JohnJademar.Lopez@georgebrown.ca).

Thank you for your time and consideration.

Respectfully yours,  
John Jademar Lopez
